Health and Safety Policy

HRE Policy

HRE-HSA-POL-001 Issue 3.0

It is the policy of Hitachi Rail Europe, and my personal commitment as Managing Director to recognise, accept and discharge responsibilities to comply with all applicable statutory Health, Safety and Welfare requirements and standards,. We will ensure the Health, Safety and Welfare of our employees, customers and all others who might be affected by our products, services or other activities.

Risks which might affect our staff, contractors and others will be managed by:-

- Providing sufficient resources within our business to support this policy
- Implementing and continually improving a formal health, safety and welfare management system with appropriate responsibilities defined at all levels
- Monitoring and checking the effectiveness of all policies, procedures and systems relating to health, safety and welfare
- Selecting and engaging with all colleagues to create a positive culture, in which they understand their personal safety responsibilities, through continuous communication, consultation, co-operation and competency
- Forging strong relationships with our neighbours and suppliers to promote health safety and welfare requirements and standards
- Collaborating with our suppliers and contractors to comply with all Hitachi Rail Europe health and safety requirements, providing them with this policy
- Measuring and reviewing our Safety performance at regular intervals

Managers at all levels are responsible for applying the requirements of this policy and each individual will work with the management team in Health and Safety compliance matters to ensure the Health and Safety of themselves and others.

This policy shall be reviewed annually, or after any significant change, to ensure that it continues to reflect and achieve our commitments.
